Port of Echuca Exhibition “Cats and Dogs all at Sea”

Cats and Dogs – All at Sea is a touring exhibition from the Australian National Maritime Museum. This free exhibition will be on show at the Port of Echuca Discovery Centre until June 2024. Cats, dogs, monkeys and birds have been cherished on board ships for as long as people have made sea voyages. In a life from which children and families are usually missing, pets provided an important source of comfort and affection. Photographer Samuel Hood boarded hundreds of ships between 1900s and 1950s that were moored in Sydney Harbour. He took thousands of photographs of crew members, from deckhands to the captain as a souvenir of their visit or to send home to families and loved ones.

- 23 March** **The Shiraz Republic, Cornella**
Starting on the Labour day long weekend, we'll be throwing a series of Stomping Parties which pair the fun of making wine with great food and live music! Arrive for a 12pm kick-off which will start with a walk in the vineyard to pick grapes for approximately an hour. At the winery, we load the grapes into our crusher-destemmer machine to split the berries open and remove the stems. we then end up with a slurry of grape skins and juice in the bottom of our fermenter. Once we've processed all the fruit, it's time to take off the shoes and jump in for the traditional foot stomping and kick start the process of turning fruit into wine. The winemaking experience will round up at around 3pm for questions and we'll then head back to the cellar door where you can enjoy a refreshing (and hard-earned) wine or beer to enjoy alongside great live music. A \$45 day pass gets you access to our Stomping Party workshop - picking grapes and stomping them into wine, a wealth of knowledge and great memories! Jeremy Beggs & The Long Road Travellers will perform live from 2.00 PM to 4.00 PM.
