#### **Port of Echuca Exhibition "Cats and Dogs all at Sea"**

Cats and Dogs – All at Sea is a touring exhibition from the Australian National Maritime Museum. This free exhibition will be on show at the Port of Echuca Discovery Centre until June 2024.

Cats, dogs, monkeys and birds have been cherished on board ships for as long as people have made sea voyages. In a life from which children and families are usually missing, pets provided an important source of comfort and affection. Photographer Samuel Hood boarded hundreds of ships between 1900s and 1950s that were moored in Sydney Harbour. He took thousands of photographs of crew members, from deckhands to the captain as a souvenir of their visit or to send home to families and loved ones.
